

Come Worship Together

[Psalm 86:9-10] says, “All the nations You have made will come and worship before You, O Lord; they will bring glory to Your name. For You are great and do marvelous deeds; You alone are God.”

In mid-October 2010, Soldiers and friends in The Salvation Army Hong Kong & Macau Command will turn out to attend the 80th Anniversary celebration of the Command, including: Opening Ceremony held on 14 Oct; “Worldwide Chinese Ministry Seminar”, with tours, fellowship and various rallies in the afternoon and evening on 15-16 Oct. 17 Oct, Sunday, will be an even bigger event, beginning with the March of Witness early in the morning, followed by Holiness Meeting. Celebration Concert will be held in the afternoon and the 80-table Thanksgiving Dinner will close the curtain of the whole celebration.

As a matter of fact, the celebratory activities of the 80th Anniversary were commenced since the beginning of this year. Similarly, it was also kicked off by the Launch Parade with huge participation. However, the March held in this month will be of a much larger scale, as two United Bands will be marching and presenting Army music with a big display of flags and drums. By then, all Soldiers will definitely be cheered up and filled with vigor and a high morale.

As the above Psalm says, “All the nations You have made will come and worship before You”, *come worship together* shows such a fervent and eager heart, which indeed demonstrates an effect of people from all nations coming together. Salvationists and representatives from almost every Continent, not only Chinese but also those of other nationalities, are coming and joining us in celebration. The focus of the 80th Anniversary is the participation of worldwide Chinese. Ever since The Salvation Army was established in Hong Kong, it has been exerting positive influence on global evangelism. Ministries in some regions were originated from this place, whereas the Command has also offered continuous support to the ministries developed in other regions. So there are mutual exchanges going on.

Hence, the 80th Anniversary can be regarded as a historical moment, in which Chinese people around the world are gathered together to give thanks and praise for the gifts God has given us. Not only so, western comrades who were in touch with or have served the Command will take this opportunity to revisit

Hong Kong, which is a manifest of the spirit of God's family without discrimination in the Army.

“For You are great and do marvelous deeds; You alone are God.” If we have not made God our King and top most priority in our hearts, we will have no reasons or motivation to gather together. The work of the Army represents God's work on earth, and we are His servants. Let us come together to worship our Lord, for He has done marvelous deeds among us.

Yes, indeed. In the 1930s, beginning as a service unit and a Corps in Hong Kong, the Army has developed into a well-established church and social organization all over Hong Kong today. Although we have always been short of manpower, we still manage to expand into over 100 different service units. This, of course, is attributed to the efforts of our countless staff members and volunteers throughout the years. From not knowing us or even giving us strange looks at the beginning, Hong Kong people have changed and some of them have even stood up and offered financial help as they participated in our services today. All these are marvelous deeds God has worked among us.

The 80th Anniversary Celebration is drawing near. It is not only an event of the Army, but also something about Hong Kong. We should stand in the middle of the city and witness God as a great and unique God. Fellow brothers, sisters and comrades, welcome to join us in this Celebration and worship our living God together.
